Earl Grey Tea blends the bold, malty richness of Kenyan black tea with the citrusy brightness of natural bergamot oil.

Rosemary - Loose leaf

100 Gms

A caffeine-free herbal infusion made from the freshest rosemary leaves grown naturally in the lush highlands of Kenya.

MADE IN KENYA

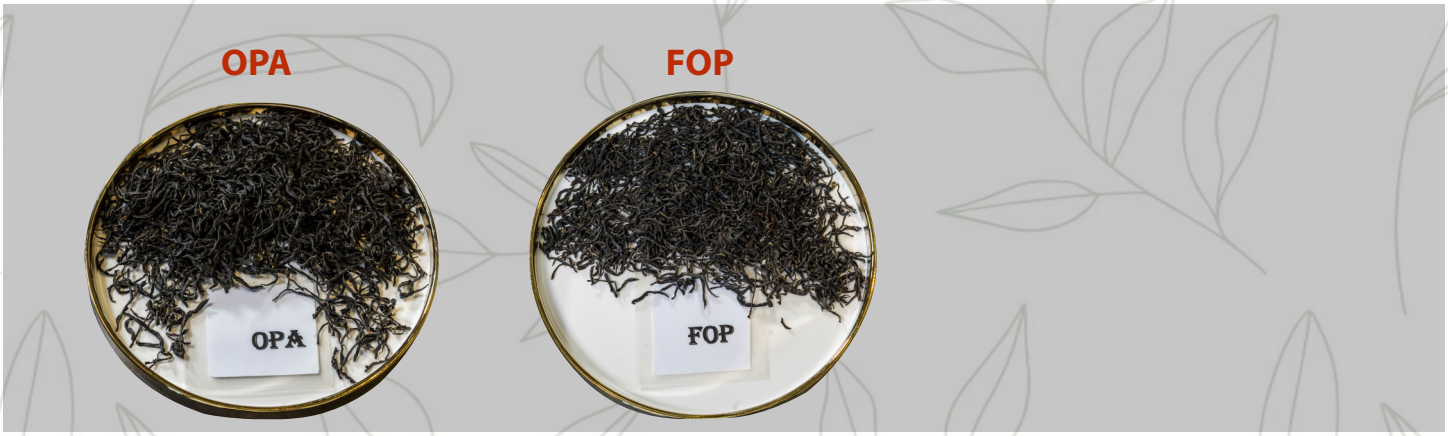

OUR BULK CATEGORIES

1. Black Orthodox Tea

A premium whole leaf tea made carefully from selected Camelia Sinensis leaves using the traditional orthodox method. This preserves the leaf's natural shape and rich character giving you a bright flavorful liquor.

The leafy and tippy teas are best taken black,
The broken grades can be used for milk tea.

a) Leafy Grades

b) Middle/ Tippy Grades

c) Broken Grades

2. Purple Tea

A rare naturally occurring tea variety from the Camelia Sinensis cultivar. It is rich in anthocyanins and gives a distinct purple hue. It is crafted using the orthodox method hence preserving its delicate character.

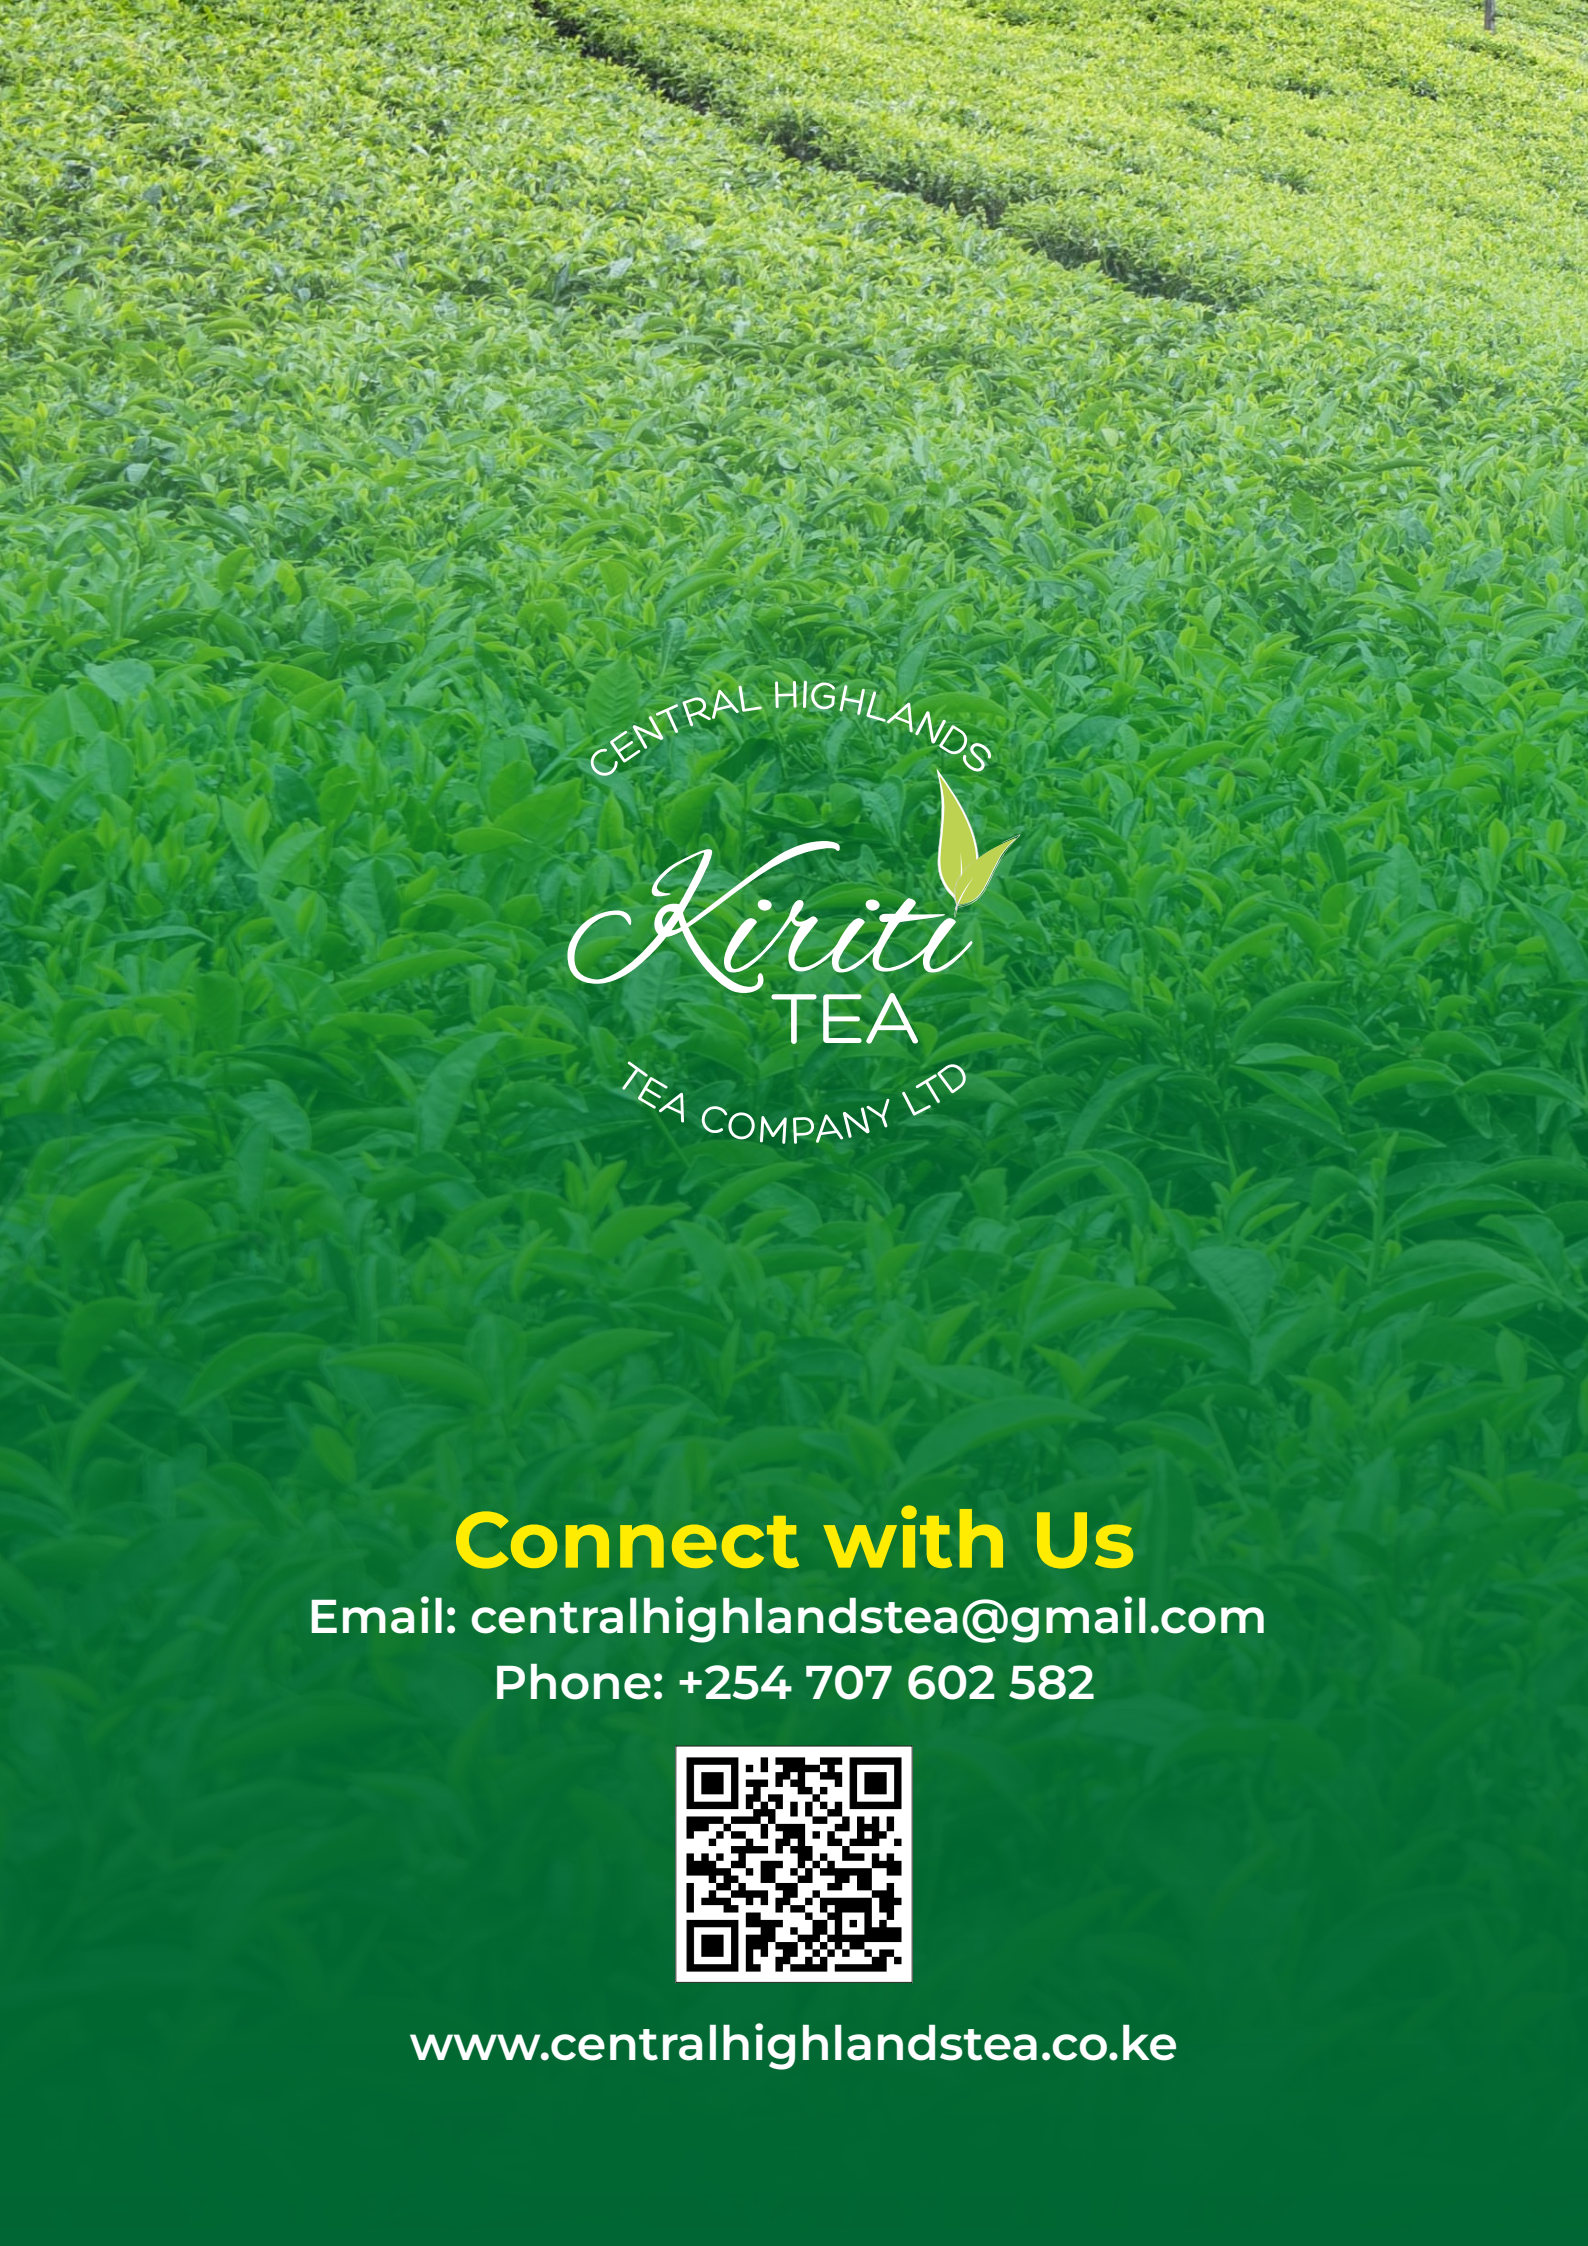

3. Green Tea

A delicately crafted whole leaf tea made from young Camelia Sinensis. It is steamed and gently rolled to preserve its natural colour, antioxidants and fresh leaf character.

Minimum order quantity for Black Tea is 2000kgs
